  - Master
  - Doctorate
  - 5 months

- Academic (STA)/Administrative staff (STT): 5 working days, plus 2 days for travel (Total = 7 days).

The **dates**, for the program of studies/activities, must be **agreed between the scholarship holder**, the host and the home institution. **Those dates will be used as reference for the scholarship's payment.**

**If the dates suffer changes**, you must inform the Mare Nostrum (MN) until **30 days before the end of the mobility period (SMS only)**. These changes may result in a mobility reduction or extension. Thus, be aware that **adjustments to the total scholarship may occur**. Also remember that you will just receive the maximum mobility period you have been selected for.

**SMS – Student Mobility for Studies**

It refers to undergraduate, master and doctorate students. Each Participant should present his own **Learning Agreement**, a study plan that details which courses/field of research is intended to be covered during the mobility period. The Learning Agreement must be agreed on with the relevant person in charge at the home and host university and finally signed by the holder and the responsibles from both Institutions.

Be aware and always keep in mind meanwhile preparing the plan of activities that the recommended number of **ECTS per semester is 30**. However, if the home/host institutions agrees, after a scrupulous check of the courses, the number of ECTS can be slightly higher or lower.
Any changes to the initial proposed plan of studies, must be done within 15 days of calendar upon the arrival. This document must respect the same requirements as the previous Learning Agreement.

How to fill the Learning Agreement for studies/ project /research plan:

Choose the courses/ Fields of research at the host university → Discuss the equivalence at your home university and fill in the Learning Agreement → Download the Learning Agreement template from the Scholarship holder page → Sign the document and ask your home university to sign it → Request the host university to also sign the Learning Agreement → Upload the Learning Agreement in the Scholarship holder page
